MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Dr. Brzezinski,  
1 September 1978

10. I didn't discuss the SSCI response.

11. I didn't discuss clearing Congressional testimony. I don't think that is an issue. We seldom testify on what could be considered a political matter; when we do, we should let them know that we're going to do it, and I have done that in the past. OLC should be aware that I feel that sense of obligation. In no way are we going to change our briefing or "clear" it with them. I've gone over this with Brzezinski before. I don't feel it should be an issue.
